Subject: Budget Adjustment to reallocate Transportation Bond funds from the City of Parker's available bond funds due to Mutual Boundary Road Rehabilitation Projects

The Engineering staff was notified that on June 1, 2015, Commissioners Court approved via Court Order #2015-299-06-01 regarding the City of Parker's request to reduce their available bond funds due to the two (2) mutual boundary road rehabilitation projects: Donihoo Lane and Hackberry Lane.

The city has asked to reduce the completed 2003 Bond project, 03-041, McCreary Rd from Parker Rd to McWhirter in the amount of \$78,604. The reassignment would reduce their current bond funds balance from \$306,357 to \$227,753 for this completed 2003 Bond project.

We request approval of a budget adjustment to reallocate \$78,604 from the 2003 Transportation Bond project 03-041, City of Parker's McCreary Road as noted below:

From:

03041 – McCreary Road
423-7530-680-9280 \$78,604

To:

03-115 – 2003 Bond Discretionary
423-7530-680-8801 \$78,604
